Nathan Morris and his personal ministry team, including everyone involved in serving e.g. the pastors, interpreters, intercessors, traffic control, security personnel, ushers, worship team, p.a. system and media crew, medical team, photographers, videographers, special presentations and altar workers.
- The sovereign work of the Holy Spirit is released with supernatural manifestations of miraculous healings, deliverance, signs and wonders throughout the Service, especially during the ALTAR CALLS.

- The respondents will respond positively to the post-follow-up ministry. They will be willing to be disciplined by the respective churches and by their own Christian friends who brought them to the services.
- The respondents will grow in their faith as they join the cell groups, worship, study the Word, learn to pray and attend church regularly.
- The churches will be well-prepared to receive those healed, saved and delivered. There will be an awakening of revival of souls saved. The Holy Spirit's power will continue to move powerfully, healings and miracles will happen in our weekly church services.
